

SALFORD TOWNSHIP PARK BOARD  
**Meeting Minutes – January 30, 2018**

A meeting of the Salford Township Park Board was held on Tuesday, January 30th, at the Salford Township Municipal Building in Tylersport. Present were Chairman Frank Jarrett, Warren Taylor, Charles Boyd and myself, Tim Clemmer. Board member Fred Moyer was absent.

The meeting was called to order at 7:45 PM by Chairman Frank Jarrett.

The minutes from the previous meeting were distributed. Motion was made and seconded to approve the minutes; motion carried unanimously.

Business:

- **Tylersport Community Park:** Frank noted that the bid-package for the proposed work at the park had been posted on the PennBid website. Bids are scheduled to be opened on Monday, Feb. 19th, and are to be reviewed/awarded(?) by the BOS at their meeting on Wednesday, Feb. 21st. The bid-package calls for construction to begin in April.
- **White's Mill:** Frank noted that the contract with Weeds Inc. was being renewed to continue the Lilly Pad treatment again this year. We had some more discussion about the proposed fishing pier, and we agreed that Tim would contact the Twp. Engineer (Mark Mattucci) to inquire as to whether we'd be required to work through official agencies (DCNR, Army Corp of Engineers, etc.) to be able to move forward with this project.
- **Newsletter Article:** In response to the Township's request that we provide an article to be included in the next community newsletter, Frank agreed to draft a submission on our behalf. He'll email it to the Park Board members for their review and inputs.
- **Available Grants:** Applications are available for PECO's annual "Green Region" Grant, as well as this year's DCNR "Keystone Funding" Grant. We agreed that we need to see the current DCNR 'windfall' through to the end before deciding if future "free money" is worth the efforts required to actually receive the funding. To date, we have our doubts...

There being no further business on the agenda, the meeting was adjourned at 8:15 PM.

Respectfully submitted,

E. Timothy Clemmer
