SALFORD TOWNSHIP PARK BOARD

Meeting Minutes – November 28, 2017

A meeting of the Salford Township Park Board was held on Tuesday, November 28th, at the Salford Township Municipal Building in Tylersport. Present were Chairman Frank Jarrett, Warren Taylor, Charles Boyd and myself, Tim Clemmer. Board member Fred Moyer was absent.

The meeting was called to order at 7:45 PM by Chairman Frank Jarrett.

The minutes from the previous meeting were distributed. Motion was made and seconded to approve the minutes; motion carried unanimously.

Business:

- **Pavilion:** Frank noted that had a meeting scheduled tomorrow with Doug Hedrick to review the finalized DCNR paperwork.
- **Board Member Application:** We finally got Charlie Boyd to agree to apply for a formal position as a Park Board member. Charlie's been a regular attendee to Board meetings for the past year, and has had valuable input on all the projects we've undertaken – as an "unofficial" member. Frank will submit the required paperwork to the BOS to now make him "official".
- **White's Mill:** We had some discussion about potential improvements that might be undertaken at White's Mill. It was suggested that we reintroduce the idea of adding a fishing pier/platform as we had discussed previously, but it was noted that we'll likely have to involve the Township Engineers to give their blessing on what can or cannot be done around the dam berm.
- **December Meeting:** As we had previously decided, there will be no December meeting due to conflicts with the holidays. Next meeting will be held on Tuesday, January 30, 2018.

There being no further business on the agenda, the meeting was adjourned at 8:30 PM.

Respectfully submitted,

E. Timothy Clemmer
