SALFORD TOWNSHIP PARK BOARD

Meeting Minutes – April 30, 2019

A meeting of the Salford Township Park Board was held on Tuesday, April 30th, at the Salford Township Municipal Building in Tylersport. Present were board members Frank Jarrett, Warren Taylor, Charles Boyd, Fred Moyer and myself, Tim Clemmer; and guest Kurt Klingerman.

The meeting was called to order at 7:30 PM by Chairman Frank Jarrett.

The minutes from the previous meeting were distributed. Motion was made and seconded to approve the minutes; motion carried unanimously.

Business:

- **Tylersport Park Drainage:** Kurt Klingerman attended the meeting to discuss his recommendations for the drainage system we had previously discussed and proposed to the BOS. He felt that a slightly more involved drainage layout would better solve the wash-out problems we've experienced at the park. After some discussion, we agreed that his ideas had some merit and that our proposed plan would be modified as discussed.

  Warren noted that the timing for the work at the park would be best done in the July-August time-frame, allowing for finish seeding to be done in September.

- **Parks & Open Space Inspections:** Frank noted that with summer coming on, we should do some on-site inspections of the properties we've been looking after, and asked for volunteers to make site visits and report back their findings. We agreed that the Pin Oak Drive tract didn't need to be visited, as that's been reduced to a lawn area that gets mowed regularly. Frank & Charlie agreed to visit the Coppermine Creek site; Tim agreed to visit the White's Mill parcel.

There being no further business on the agenda, the meeting was adjourned at 8:30 PM.

Respectfully submitted,

E. Timothy Clemmer
Recording Secretary
