SALFORD TOWNSHIP PARK BOARD

Meeting Minutes – June 19, 2019

A meeting of the Salford Township Park Board was held on Tuesday, June 19th, at the Salford Township Municipal Building in Tylersport. Present were Chairman Frank Jarrett, Fred Moyer, Warren Taylor, Charles Boyd and myself, Tim Clemmer.

The meeting was called to order at 7:30 PM by Chairman Frank Jarrett.

The minutes from the previous meeting were distributed. Motion was made and seconded to approve the minutes; motion carried unanimously.

Business:

- **Tylersport Park:** Frank presented copies of two bids that the Township had received for the installation of the swing set at the park ($4,290 vs. $7,300), noting that the BOS will be making a selection as to whom the contract will be awarded to. After some discussion, we determined that we have no input of any value, as none of us are familiar with either contractor and have no basis for which to make a recommendation. We have no issue with awarding the contract to the low bidder.

  Frank showed us photos of the powder-coat finish peeling off of a few pieces of the fitness equipment. This shouldn't have happened in the short period since the equipment was installed, and is most likely attributable to faulty surface preparation prior to the painting process when the components were built. We questioned if there was a warranty of any kind when the equipment was purchased?

- **Prospective Board Member:** Frank noted that he had an acquaintance who resides in the development by the park that may be interested in coming to our next meeting. He will extend an invitation for her to join us.

There being no further business on the agenda, the meeting was adjourned at 8:00 PM.

Respectfully submitted,

E. Timothy Clemmer
