SALFORD TOWNSHIP PARK BOARD

Meeting Minutes – July 30, 2019

A meeting of the Salford Township Park Board was held on Tuesday, July 30th, at the Salford Township Municipal Building in Tylersport. Present were Chairman Frank Jarrett, Fred Moyer, Warren Taylor, Charles Boyd and myself, Tim Clemmer.

The meeting was called to order at 7:30 PM by Chairman Frank Jarrett.

The minutes from the previous meeting were distributed. Motion was made and seconded to approve the minutes; motion carried unanimously.

Business:

- **Tylersport Park:** Frank brought a copy of a drawing Curt Klingerman had prepared for the BOS depicting the proposed drainage work to be done at the park. Following some discussion, we agreed that the BOS should table the project until next spring, as it would end up being too late in the season to promote good grass growth over the finish grading of the affected areas.

  Frank noted that someone mentioned that the sight selected for the swing sets was too high of an elevation? Following some discussion, it was our opinion that the site should be fine.

- **Budget Proposals:** Frank noted that any requests to be considered by the BOS for next year's budget were to be turned in in August. Apart from the drainage project at the park, we have no specific goals for any major projects at this time.

- **Prospective Board Member:** Frank noted that his friend who resides in the development by the park seems not to be interested after all. It was noted that Tim Clemmer will be moving out of the Township this fall, and will need to resign from this Board, so we do need to recruit a new member or two.

There being no further business on the agenda, the meeting was adjourned at 8:20 PM.

Respectfully submitted,

E. Timothy Clemmer
Recording Secretary
